The Shenandoah Community Foundation

“We’re not a Cause...we’re a Causeway!”

♦ We’re a non-profit public foundation. Donations to support our work or start your own fund are all tax deductible.

♦ We’re here to help you support the charities or causes that mean the most to you. We make it easy to set up and distribute scholarships, grants, and memorial funds that will enrich our community for years to come.

♦ You don’t have to be a millionaire to create permanent future income for your most cherished charitable cause! You’d be surprised how little it takes. Do you long to help victims of abuse? Help mistreated animals? Feed the hungry? Support the arts? Tell us what you want to do; we’ll help you figure out how to accomplish it.

♦ You can set up a small endowment fund to begin doing good work now. Through smart estate planning, this fund can receive a larger donation from your estate so the work continues. Even if you need all your current assets to live on, you can delay the fund’s activation until assets are available after your death.

♦ We give you peace of mind that your intended purposes will be carried out. Let us do the administration while your favorite cause enjoys the benefit.

♦ We keep more charitable dollars right here at home. All unrestricted grants and scholarships are targeted to meet the charitable needs of Shenandoah County citizens.

2011 Annual Report 9
Zane Neff

The Shenandoah Community Foundation wishes to pay tribute to Zane Neff, a founding board member, who died on July 15, 2011. Zane believed in our vision of creating permanent endowment that would benefit his beloved Shenandoah County forever. He was a tireless ambassador and trusted advisor for SCF. We will miss his valuable perspective, his wonderful sense of humor, and his quiet leadership.
